

ZEITERION PERFORMING ARTS CENTER ECONOMIC IMPACT REPORT

TOTAL CONTRIBUTION IMPACT

Supporting the Regional Economy

Combined, spending by The Z and its resident companies, NBSO and NBFT, coupled with visitor spending, supported in the Southeastern Massachusetts economy.

Employing Local Residents

The Z, NBSO and NBFT employ 118 full-time and part-time local employees. These employees are in addition to the hundreds of musicians and performers hired for performances. Payroll expenditures and local vendor purchases support additional spending and the creation of 183 jobs. Visitor spending supports 37 additional jobs.

VISITOR SPENDING

70,000 patrons

The Z attracted nearly 70,000 patrons to events in FY 2019.

\$3.3 million economic output

Payroll expenditures and local vendor purchases support additional spending and the creation of 183 jobs. Visitor spending supports 37 additional jobs.

\$2 million in spending

Visitors spent nearly \$2 million in the regional economy, much of that in New Bedford. This amount does not include ticket sales.

The Z and Its Resident Companies Contribute to the Local Economy

- Employing local residents
- Purchasing goods and services from local businesses
- Attracting visitors whose spending supports other businesses and arts and culture organizations
- Hiring local musicians, performers, and artists for events
