

## Arts \* Illuminated How It Works - The Roles

- Each ARTIST takes a turn on the stage for a 5-minute interview with our host, Devin. Artists share their history, disciplines, processes, and discuss their two featured works of art. Bios, contact info, social media, artworks, and prices are listed in the printed programs.
- The AUDIENCE gets involved in the interviews by raising their hands, getting on the mic, asking a question, and joining the conversation!

## Arts Illuminated How It Works - The AFTERGLOW
